14:55-15:20 PoLiMeR student 5  
15:20-15:45 *Coffee break*  
15:45-16:10 PoLiMeR student 6  
16:10-16:35 PoLiMeR student 7  
16:35-17:00 Selected presentation

### Wednesday 30 March

#### Session III Combinatorial explosion of molecular species

9:00-9:45 Invited speaker  
9:45-10:10 PoLiMeR student 8  
10:10-10:40 *Coffee break*  
10:40-11:05 PoLiMeR student 9  
11:05-11:30 PoLiMeR student 10  
11:30-11:55 Selected presentation

12:15-14:15 *Lunch + poster session*

**Session IV**                      **Spatial and hierarchical regulation**

13:45-14:30                      Invited speaker  
14:30-14:55                      PoLiMeR student 11  
14:55-15:20                      PoLiMeR student 12  
*15:20-15:45                      Coffee break*  
15:45-16:10                      PoLiMeR student 13  
16:10-16:35                      PoLiMeR student 14  
16:35-17:00                      Selected presentation

*19:00                                  Conference dinner*

**Thursday 31 March**

**Session V**                      **Natural Language Processing for the Life Science**

9:00-9:45                         Invited speaker  
9:45-10:10                        PoLiMeR student 15  
10:10-10:35                       Selected presentation  
*10:35-11:00                       Coffee break*  
11:00-12:00                       Keynote 2: closing lecture
